HYDRO-BLASTING SERVICES

Dependable, Reliable, and Efficient. Saving Our Customers Time and Money.

POWER SERVICES COMPANY

Let us handle all of your high pressure water blasting needs with our state-of-the-art hydro-blasting units. Our units range from 10,000psi to 40,000psi at 5gpm to 150gpm. Quick change fluid ends allow us to change pressures in less than 20 minutes saving our customers down time and money. There is no need for multiple units; one unit does it all. For more information, please contact our office at (877) 924-7400.
